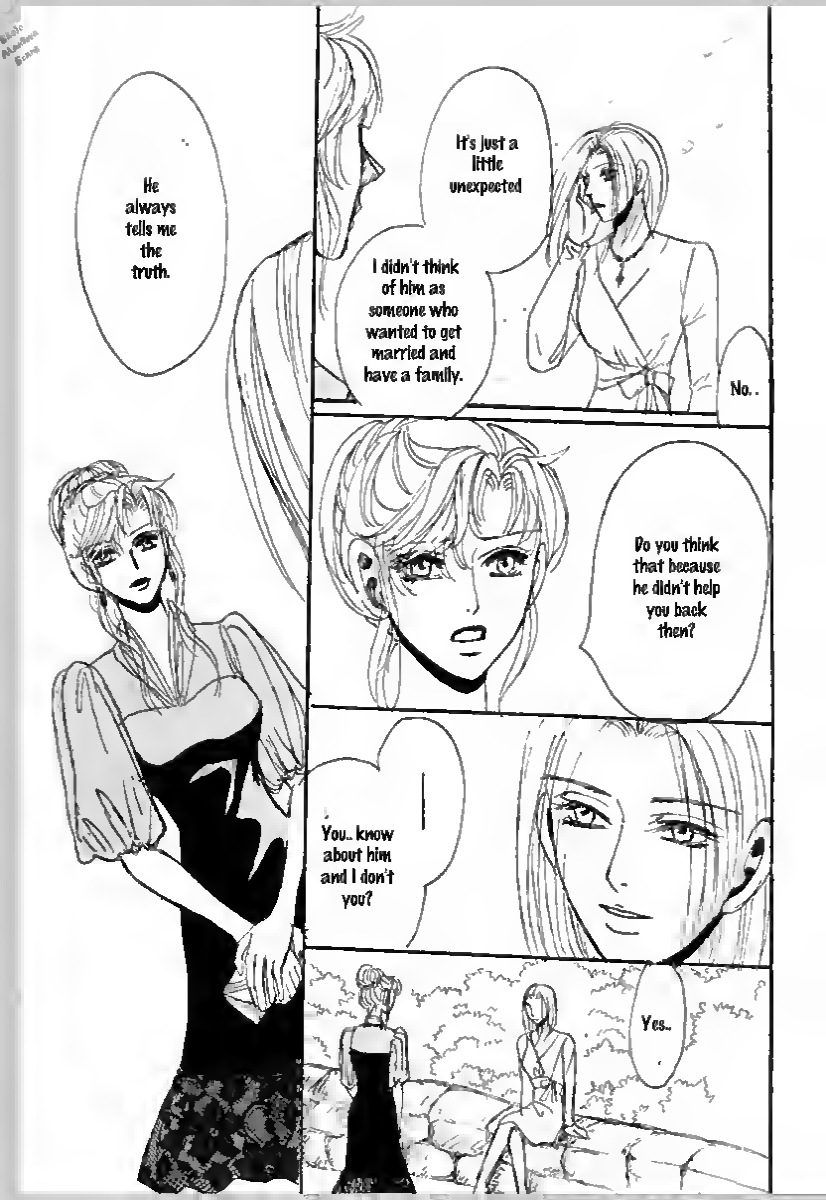
Andrea...
I'll go outside and cool down...
Ah...I'm fine. I just got a little overheated.
Jane!!
Are you okay?
Why are you asking me that?
Are you planning on having a child with him?
Hey..



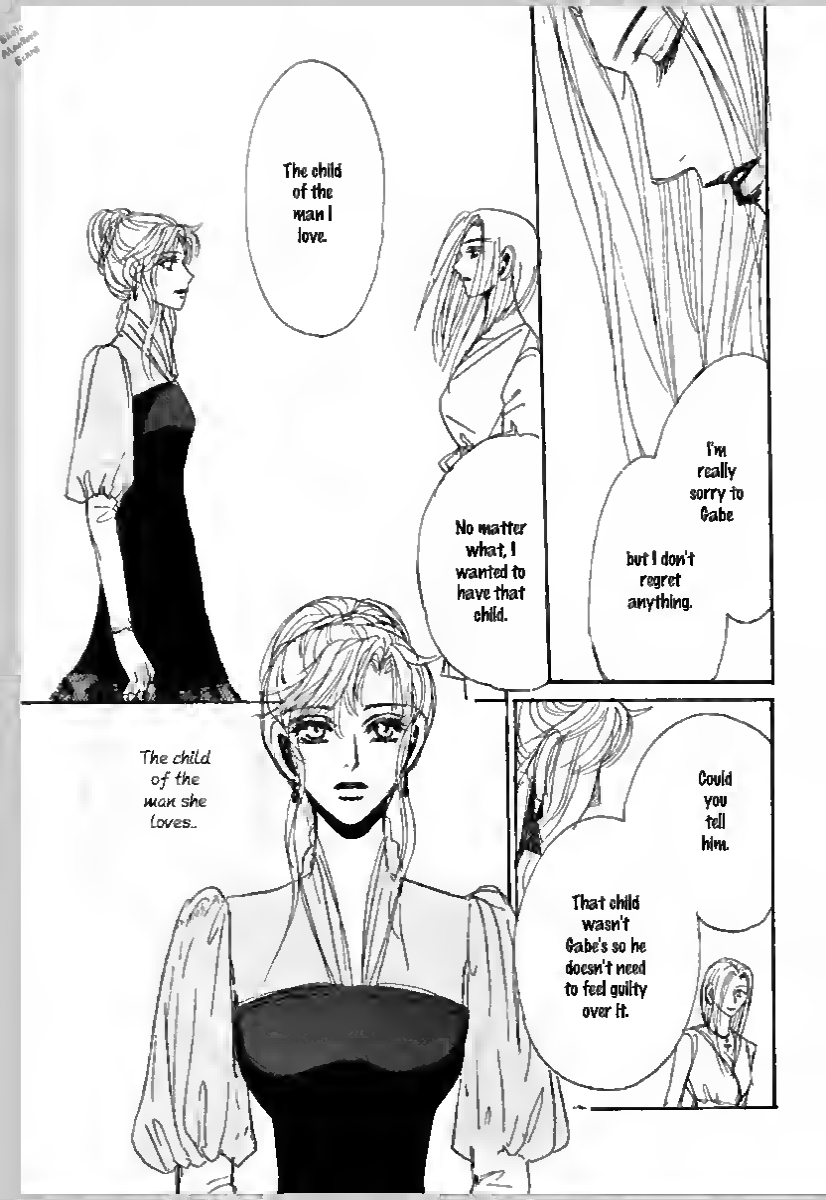
He always tells me the truth.
It's just a little unexpected
I didn't think of him as someone who wanted to get married and have a family.
No..
Do you think that because he didn't help you back then?
You.. know about him and I don't you?
Yes..

He still carries the weight of that sin.
I know that you slept together once
and that you miscarried his child.
Though that wasn't something that I wished for.
I think he married me because he wanted a replacement for the child that he lost.

What should I do? I didn't have that intention at all..
Yes..
Was that why Gabe never came back?
Eh? What do you mean?
I thought that Gabe would make a good father so I told him to marry me.
At that time I couldn't think about anything but having that child

Black Market Bride

As I thought, it wasn't his child at all, right?
Yes..
That child's father wasn't Gabe.
The father was from the mainland.
I met him when I visited the mainland.
He wasn't serious about it although I was.



The child of the man I love.
No matter what, I wanted to have that child.
I'm really sorry to Gabe
but I don't regret anything.
The child of the man she loves..
Could you tell him.
That child wasn't Gabe's so he doesn't need to feel guilty over it.

I may have done the same thing she did.
I also want to have Gabe's child!!
If I was in her position
Even if Gabe doesn't love me...
Gabe...
What is it?
I was overheated so I cam outside.
You were here? I was looking for you.
Andrea

I talked to Jane.
Eh?
She said that the child she miscarried wasn't yours.
You're free now.
Gabe

What? Is that true Gabe?
So Jane was trying to use you
Yes. Andrea heard it from Jane yesterday.
It seems that way.
But I think she was worrying in her own way
and trying her best to protect that tiny life.
Women have a mother's instincts probably
so they can prepare to give birth.

I was expecting that she would start to love me but..
I thought that Andrea would have my children
even though she doesn't love me because of those motherly instincts.
Gabe, you don't think
you're loved by Andrea?
She married me so that she could have a child, Jack.
If she doesn't get pregnant within 6 months than the purpose of this marriage will disappear.
Is that so?

Have you asked Andrea herself about it?
.....
By the way, where's Andrea?
I don't know I haven't seen her since this morning.
I wonder if she hasn't woken up yet.
Yes Mama, as I said
I'll tell you ths rest of it when I get home...

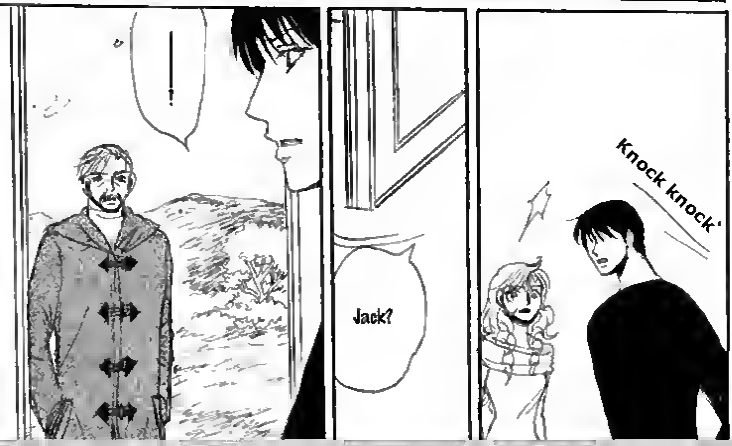
Anyways,
I can't stay here anymore.
So...
What do you mean you can't stay here anymore?
Gabe!?

Yes...
Are you planning on leaving?
Why? Didn't you agree with me?
We'd get married and see if we could make a child in 6 months!
Yes. .but things have changed.

you don't have any sin that you need to atone for anymore!
On top of Jane's child not being yours,
The reason you had for helping me have a child disappeared too!
Our experiment is over now!!
That you're giving up now means
you didn't want a child that much, right?

It's hard when there's no love.
!!

I see. I understand.



!
Jack?
Knock knock'

I see that you came home.
Yes.
Dad!?
You look well Gabe.
Gabe... I...
Dad
Sorry that I came home...
THAT TIME, I KNEW THAT WASN'T YOUR CHILD!!
YOU'RE WRONG! I WAS IN THE WRONG!!

I THOUGHT THAT IF YOU KNEW ABOUT THE CHILD
YOU SHOULD TAKE PITY ON HER AND MARRY HER EVEN WITHOUT LOVE!
I THOUGHT THAT YOU'D MARRY JANE NO MATTER WHO'S CHILD IT WAS!

Dad..

I'm so sorry Gabe! Please forgive me.

You don't need to feel responsible.
Thanks to you I wanted to return to the island and worked really hard.

It's fine now

No It's not like that.
i heard from Fabris that you retired from your ship
Is that my fault?
It didn't affect my everyday life but it's impossible for me to steer a ship.
i retired because my eyes got bad and I couldn't chase the fish anymore.
i'll be a fisher-man.
i heard that you sold your company. What are you planning on doing here?

Dad, please go to sea with me on that ship.
A fisherman!?
Don't joke around! You were president of a company, why would you do that now?
I'm not joking. I was planning this before I ever went to New York.
Before I came here I bought one thing:
the same ship that you rode.

Thank you.
squeeze
Gabe...
I want to follow in your footsteps.
I see.
No, today I'm dressed poorly so I'll come back tomorrow.
I want you to meet my wife.
Won't you come in?
Gabe

You don't need to talk outside, come on it.
!!
Andrea..

Basic Manhwa Group

Dad, that's my wife Andrea.
Gabe...Did you fish for a goddess in New York?
It looks like I misunderstood you.
Bonjour, Monsieur Jill
Nice to meet you Andrea, I'm Gabe's father, Jill Coven

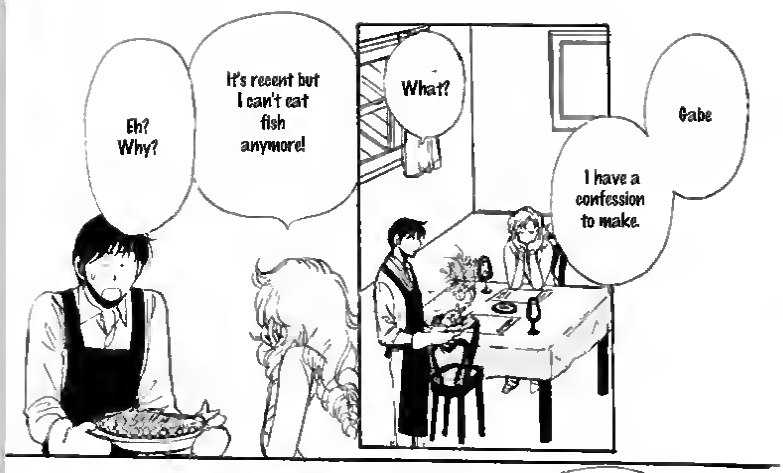
I won't marry someone I don't love.
smile
My father was misunderstanding me.
I don't want a wife
other than you.

Even if we don't have a child we can still become Papa and Mama.
I wonder if this a continuation of the dream of Paris?
!!
- This isn't
What if we can't have a child?
We'll adopt.

If we don't have a child
then we can adopt.
I want children because I want a family
I'm not just searching for blood connections.
The most important thing is
me becoming a father and you becoming a mother.

I want you to live on this island with me.
I love you.
Andrea.
I still don't know much about this strict island but
Yes...

No one else just you
I only wanted you to be my wife.
Me too Gabe.
Let's start on this small island.



I pray that this house will

Eeeeeh!?

be filled with laughing voices
